

KreteRelease 485

(Formerly Krete Mix'R Eez)

KreteRelease 485 is an aqueous, non-toxic, non-hazardous product designed to make cleaning of concrete mixers simpler and less time consuming.

FEATURES

- Non-Toxic
- Water Based
- Easy Application
- Retards Cement Hydration

BENEFITS

- Non-Hazardous to Mixer Components
- No Expensive Application Equipment Required
- Reduces Mixer Clean Time
- Increases Productivity

TECHNICAL INFORMATION

<u>Parameter</u>	<u>Typical Value</u>
Appearance	Clear Purple Liquid
Specific Gravity	1.108
Lbs./Gal	9.24
pH	5.06
IR	Pass

DIRECTIONS FOR USE

1. For first two weeks of use: Apply at full strength.
After first two weeks of use: Dilute 1 part KreteRelease 485 with 1 - 2 parts water.
2. Spray apply into mixer. Wet all surfaces. DO NOT OVER APPLY.

Note: If over application (puddling in mixer bottom) takes place, set retardation of the first batch of concrete used in the mixer may take place.

PRODUCT PACKAGING

Available in 330 US gallon totes, 55 US gallon drums, and 5 US gallon pails. Samples are available by request.

PRODUCT STORAGE AND SHELF LIFE

Store in dry area. Keep containers tightly closed. Do not store in excessively high temperatures (>100 F°). KEEP FROM FREEZING. Avoid physical damage to containers. KreteRelease 485 has a rheological shelf life of eight (8) months in original, unopened packaging.
